Washington Hilton and Towers Hotel Washington, DC from February 5-8, 2006
http://www.roa.org/events/pdf/reg_mid06.pdf

National Association of Commissioned Officers Awards

NOAA ACO Engineering and Science Awards

The National Association of Commissioned Officers requests nominations for the NOAA ACO Engineering Award and NOAA ACO Science Award. Any NOAA Corps officers or members of another service assigned to NOAA, who has distinguished him/herself by making outstanding engineering or scientific contributions that distinguish the individual

above those performing similar services are eligible. All commands and field offices are invited to submit nominations for these awards. The National ACO will select the nominees in January 2006.

Please submit nominations to CDR Brian Taggart, President, National Association of Commissioned Officers via E-mail to Brian.K.Taggart@noaa.gov, no later than January 6, 2006.

Junior Officer of the Year Nominations

The National Association of Commissioned Officers requests nominations for the NOAA Corps Junior Officer of the Year. All commands and field offices that have officer(s) of the rank O-3 and below are invited to submit nominations for this award.

The National ACO will select the nominee in mid-January 2006. In addition, this officer's name will be entered in the Reserve Officers Association Junior Officer of the Year selection. The selection will be completed at the ROA mid-winter conference this January in Washington, D.C. Our NOAA Corps nominee will be invited to attend the Conference.

Please submit nominations to CDR Brian Taggart, President, National Association of Commissioned Officers via E-mail to Brian.K.Taggart@noaa.gov, no later than January 6, 2006.

2006 Reserve Components Joint Officer Professional Development Seminar In conjunction with the ROA Mid-Winter Legislative Conference Washington Hilton and Towers Hotel Washington, DC February 5-8, 2006

CPC will select and sponsor three officers between the grades of O1—O3 to attend the Joint Officer Professional Development Seminar. All interested officers please send request via E-mail to William.kearse@noaa.gov by January 6, 2006.

Overview: Joint service professional and career development opportunity featuring joint and service specific sessions and a "Voices of Experience"-a career guidance panel of Senior Officers. The seminar agenda will include speakers and briefers from the DoD and the respective Active and Reserve Components covering topics aimed at today's drilling reservists. The seminar includes the opportunity to attend selected portions of the ROA's Mid-Winter Conference, service luncheons and the ROA banquet. Attendance requires ROA registration. The reimbursable conference fee covers the registration, service luncheon and ROA Banquet. Attendance requires ROA registration.

Eligibility: All Reserve, NG, NOAA, and PHS officers in grades O1-O3

Requests for Training

In order to expedite the processing and tracking of training requests, an online form and email account has been developed by CPC. Officers wishing to apply for correspondence courses, leadership and management training should complete the form at: <http://www.noaacorps.noaa.gov/cpc/careermgmt/training.html>.

Submit the form to cpc.training@noaa.gov via an email attachment or by using the "submit by email" button at the bottom of the training form. As with any new process some problems with occur with the system. If you encounter difficulties while filling out or submitting the training form, please inform CPC via the email address cpc.training@noaa.gov.
